

APAC SMA

2023 Asia Pacific SMA Forum

July/15 Saturday

Invitation

We are excited to announce our upcoming APAC SMA Forum, hosted by Biogen.

The event will take place on July 15th via virtual conferencing. This forum will provide the latest trends, research, and disease management by leading experts in the field of Spinal Muscular Atrophy (SMA) in the Asia Pacific region. The APAC SMA Forum will be an opportunity to exchange knowledge and drive progress in the fight against SMA.

Thank you for your consideration, and we look forward to hearing from you soon.
